Greetings!

Thank you for reaching out to us to receive information about the **2017 National Mariachi Workshops for Educators®** co-sponsored by West Music Mariachi, Albertson's Foundation, Yamaha Corporation, Wenger Corporation, Conn-Selmer, Inc., and Hal Leonard Corporation with optional graduate credit offered through VanderCook College of Music. We have assembled all of the information that we have available as of this point so that you may begin to organize your schedule. Below are a number of the details regarding our workshops so begin planning for a WONDERFUL WEEK of fun and learning!

1. DATES, TIMES AND INITIAL INFORMATION

The 2017 National Mariachi Workshops for Educators® will again be held at the *Fabulous Golden Nugget Hotel and Casino* in Las Vegas. The sessions will begin promptly at 8:00 AM on Monday, June 26, 2017, and conclude "officially" at 3:30 PM on Friday, June 30, 2017. Three (3) levels of instruction, based on Beginning, Intermediate and Advanced Mariachi Styles, will be offered with each also containing a focus on vocal training so that ALL participants will have access to age-appropriate vocal pedagogy. These three levels are defined by the specific mariachi styles to be studied which progress from easy to difficult along the continuum. A great deal of focus will be placed on the playing of secondary and tertiary instruments in the areas that are of highest need as determined by you. All participants will also have the opportunity to perform on their primary instruments to sharpen characteristic stylistic nuances as required by the various mariachi styles.

2. TEACHING PROFESSIONALS

Our esteemed clinician, Maestro **Jose Hernandez**, is sponsored cooperatively by West Music Mariachi and Conn-Selmer, Inc. He will work with all three (3) levels individually to better apply the appropriate performance characteristics to each of the styles being studied. As the lead instructors for the Workshops, the highly successful mariachi educators from the Clark County School District's (CCSD) comprehensive, standards-based, award-winning Mariachi Program will again bring their talents and most effective materials and classroom strategies to share with all participants. The 2016-17 CCSD district-wide Mariachi Program has well over 5,000 enrollees – the largest in the nation – and our instructors, which include **Ramiro Benavides, Robert Lopez, Erik Ramirez, Michael Sital, Yvette Sital, and Daniel Valdez**, will share their "secrets" on how best to recruit and retain students in your programs!

ALL attendees will have extensive opportunities to learn or enhance their abilities to play the guitar, vihuela and guitarron as well as brush up on violin and trumpet playing skills. Private lessons are available on all instruments and voice and may be arranged with the individual instructors upon arrival. The week will close with a concert performance featuring all

participants playing several of the mariachi arrangements of the various styles studied during the workshop and will also feature one of the CCSD's' Secondary Mariachi Ensembles. **Please be sure to bring a white shirt and black pants to wear in the Friday performance.** Moños will be provided!
