Earn graduate credit through VanderCook College of Music by attending the 2015 Mariachi Workshop.

Each of the three mariachi courses will focus on the development of pedagogical strategies to assist educators in teaching mariachi at a variety of levels. Each course will concentrate on the development of playing skills on secondary and tertiary instruments. More specific information is below. Attendees will also be treated to a performance by a local school mariachi ensemble.

MARIACHI PEDAGOGY: BEGINNING SONG STYLES

Expand enrollment and provide additional opportunities for music-making in your music program by offering mariachi at your school. Participants will learn to play the guitarrón, vihuela and guitar in authentic style through study and playing of the ranchera valseada, ranchera lenta, bolero and polka song styles. In addition, sample materials will be provided that can be used in presentations to district administrators, principals, parents and fellow educators. Resources include curriculum documents, beginning level musical arrangements for the various mariachi song forms, recordings, historical material and information on procuring instruments, uniforms, and clinicians. Emphasis will be placed on ensemble playing and singing. Participants will acquire new skills and a full year's worth of materials so that a mariachi program can be successfully introduced into a school's comprehensive music program. Teachers will also extend their network to include professional mariachi resource consultants who will be available to assist as the subsequent school year progresses.

MARIACHI PEDAGOGY: INTERMEDIATE SONG STYLES

Participants will enhance their playing skills on guitarrón, vihuela and guitar in authentic style through study of intermediate-level playing techniques and song styles including, but not limited to, bolero moruno, a variety of sones, basic joropo, jarabe and cumbia. Participants should have already completed Mariachi I or have previous experience teaching or playing mariachi. The musical and curricular material presented

will be appropriate for using with students who are advancing into their second year of mariachi study. Emphasis will be placed on ensemble playing and singing with opportunities for attendees to study each of the secondary instruments to assist with the development of individual playing and teaching skills.

MARIACHI PEDAGOGY: ADVANCED SONG STYLES

Participants will advance their playing skills on guitarrón, vihuela, and guitar in authentic style through study and playing of the more complex playing techniques and song styles including, but not limited to, advanced joropo, son jarocho and huapango. Participants will be provided with an array of musical material representative of the more advanced song styles as well as advanced curricular materials that are appropriate for students/ensembles moving into their third year of study. Emphasis will be placed on ensemble singing and playing with opportunities for attendees to study each of the secondary instruments to assist with the development of individual playing skills.

OPTIONAL MASTER CLASSES: \$50 each

A two-hour Trumpet Master Class with Maestro José Hernández, and a two-hour Guitar Master Class with Jesus "Chuy" Hernández will be made available. Participation is limited so sign up early!

WHAT TO BRING:

Those with band background are asked to bring a trumpet to the workshop; those with string background are asked to bring a violin. Guitar teachers may choose to bring their own instrument, however a number of guitars will be available. All mariachi instruments and some trumpets and violins will be available for sale on site.
